

Llwyngwair Manor

Bell Tent Rules!

Please do not light the camping stove or fire pit under the awning. The fire pit should be at least three metres away from the tent and awning.

Please take your shoes off before entering the tent.

Please close the windows and doors when leaving the tent.

Please take your rubbish to the bins by the shower block. Recycling facilities also available by the shower block.

Please leave the tent as you find it.

Ask at The Manor!

Ice packs can be re-frozen in the Manor – please ask a member of staff in the bar to put them in the freezer for you.

Logs are available in the Manor.

If you require breakfast, please book it the night before. Lunchtime and evening meals to eat in or take-away are available at the Manor. No meals are available on Sunday evenings.

Our staff are happy to help with any enquiries, just ask.

Reviews

We'd really appreciate your help with some online feedback. Please visit our Facebook, Google+, Twitter or Trip Advisor page and let us know about your stay.

Llwyngwair Manor

Please read these important Safety Rules:

- 1. The fire pit should be at least 3 metres away from the tent and awning.**
- 2. Young children should not sit on the foldable chairs near the fire pit as they can topple forward.**
- 3. Please do not light the camping stove or fire pit under the awning.**
- 4. Disposable barbecues must not be brought inside the tent. They produce Carbon Monoxide which can kill in an enclosed space.**

Many thanks
